NGUYEN NGOC PHUC

INTERN DEVELOPER

ABOUT MYSELF

I am Nguyen Ngoc Phuc, who is a Computer Science major at Swinburne University of Technology, specializing in Software Development with a GPA of 3.8. I have experience with some small personal projects. Apply for this intern position, I hope I will have the opportunity to work in a professional environment.

GOALS

Working in a real environment, I would like to find an opportunity to develop myself and gain more experience through real projects. Another part I also want to learn how to work in the corporate environment and consider it as a great start for me to develop myself more.
